<p>The total maximum funding obligation hereunder is increased by TWENTY SIX THOUSAND SEVEN HUNDRED TWENTY TWO DOLLARS & NO CENTS (\$26,722.) from ONE HUNDRED THIRTY ONE THOUSAND THREE HUNDRED EIGHTY TWO DOLLARS AND NO CENTS (\$131,382.00) to a new total of ONE HUNDRED FIFTY EIGHT THOUSAND ONE HUNDRED FOUR DOLLARS AND NO CENTS (\$158,104.00). This additional amount is an estimate to cover "paragraph C" entitled Reimbursable in order to proceed with Soil Test Borings at the direction of the Contracting Officer's Technical Representative (COTR). The COTR is hereby appointed the on-site authority for the work described in the Contractor's letter dated 23 September 1981 hereby incorporated by reference and made part of the contract.</p> <p><u>CONTRACT EXECUTION PRIOR TO END OF FISCAL YEAR:</u></p> <p>Execution of this contract, including required corporate certification, by a duly authorized official of your organization and prompt return to the issuing procuring activity is requested. This prompt action is important at all times for the reason that no payment may be made unless and until a fully executed copy of this contract is received by our payment office. Prompt action to execute and return specified copies of this contract becomes critical late in the Government's fiscal year (01 October - 30 September) because of the statutory requirement that the annual funds here involved may not be recorded as an obligation of the Government unless supported by documentary evidence that a binding agreement has been entered into prior to the end of that fiscal year (31 USC 200). Failure to fully execute this contract by both parties prior to the end of the fiscal year will result in automatic withdrawal of this contract offer by the Government.</p> <p>If the contract is fully executed and there is any possibility that the fully executed document may not reach the issuing procurement activity by COB on the last day of the fiscal year, the contractor shall provide notice by most expeditious communication that contract has been accepted and executed without qualification prior to the end of the fiscal year. The method of notice should be made in order of preference by TWX, Western Union Message, Mail-O-Gram, or telephone. In any event, the notice must be consistent with applicable security direction.</p> <p>All other terms and conditions of the subject Contract (as amended) remain unchanged.</p> <p>Please indicate your acceptance of the above by executing and returning the original and one copy of this Amendment to the Contracting Officer, retaining the other copy for your files.</p>
